PSSA CODE OF CONDUCT - 2018

Parents' Code

- Encourage your child to always play by the rules.
- If children are interested in sport, encourage them to participate. Refrain from forcing an unwilling child to participate.
- Remember that children participate in organized school sports for their enjoyment and fulfilment, not yours.
- Teach your child that honest effort is as important as winning so that the result of each game is accepted without undue disappointment.
- Encourage your child to work towards skill improvement. Never ridicule your child for making a mistake or losing a competition.
- Always encourage the principle of good sportsmanship.
- Children learn best by example. Applaud good play by all individuals and all teams.
- Do not publicly question the official's judgement and never their honesty.
- Appreciate the contribution and commitment of teachers in coaching positions. They give their time and resources to provide sporting activities for your child and deserve your support.
- Have realistic expectations for your child and her or his team. Do not expect more than they can give.
- Support all efforts to remove verbal and physical abuse from sporting activities. Condemn the use of violence in any form.

Players' Code

- Play for the fun of it.
- Play by the rules and always abide by the decisions of officials.
- Control your temper. Make no criticism either by word or gesture. Deliberately distracting or provoking an opponent is not acceptable or permitted in any sport.
- Work equally hard for yourself and your team. Your team's performance will benefit and so will your own.
- Be willing to train and prepare for the game or competition. Preparation helps prevent injury and increases the level of enjoyment.
- Play only when you are fully fit. To play with an injury will handicap your team, and may expose you to the risk of further and more serious injury.
- Be a good sport. Applaud the good play of your team mates and that of your opponents.
- At all times cooperate with your coach, team mates and opponents, for without them you do not have a competition.
- Remember the goals of the game are to have fun and improve your skills. Be modest in success and generous in defeat.
